Request for Review

RE: CC Docket No. 02-6 and CC Docket 96-45

Administrator's Decision on Appeal - Funding Year 2007-2008

Applicant Name: Fountain Fort Carson School District 8

Billed Entity Number: 142289
Form 471 Application Number: 582253
Funding Request Number: 1612658

USAC Correspondence Dated: December 20, 2010

This letter is an official request for the FCC to review the control of rescind funding which had

previously been approved f: 1612658 for the 2007-08 funding year by USAC.

The initial decision from USAC as case as vember 12, 2010. The reason given for the decision was:

After a thorough investigation, it has been determined that this funding commitment must be rescinded in full. During the course of a review, documentation provided by you and/or your vendor indicated that there was not a fair and open competitive bidding process free from conflicts of interest. The documents provided by you and/or your service provider indicated that, prior to/throughout your contractual relationship with the service provider listed on the FRN, you were offered and accepted gifts, meals, gratuities, or entertainment from the service provider which resulted in a competitive process that was no longer fair and open. Therefore, the commitment has been rescinded in full and USAC will seek recovery of any disbursed funds from the applicant and service provider.

Fountain Fort Carson Appealed this decision on December 6, 2010 and USAC denied the appeal on December 20, 2010. In that document, USAC indicated that the district "failed to provide persuasive information to demonstrate that USAC erred in its decision to deny funding due to Fountain Fort Carson District 8 violation of the Schools and Libraries support mechanism competitive bidding rules."

During the process of information gathering which led up to the decision, the District asked USAC to provide specific information that they believed created this violation. Pina Portanova, sent the district a document (see attached copy, supporting doc.pdf) which she stated was all the information she had concerning the situation. (See attached copy of her email message, Pina Portanova Documentation.pdf) USAC did not ever share any other reasons for their decision to deny funding other than the "gifts, meals, gratuities, or entertainment" reason stated in the letter they sent.

Gifts

The documentation provided by USAC and Trillion showed the following:

March 1, 2005	Gift of Mug and T-Shirt	1 person	\$32.45
November 20, 2005	Giftcards	2 persons	\$50.00
November 20, 2005	Giftcard	1 person	\$50.00
December 18, 2006	Giftcard	2 persons	\$50.00
January, 5, 2007	Meal	2 persons	\$11.29

All gifts were listed as being given to an existing customer and did meet the State of Colorado guidelines. This is a total of \$193.74 given to 8 people over a period of just under two years, which is less than \$25 per person per year. It should also be noted that the school district was following the state approved policy regarding gifts, and therefore following appropriate competitive bidding processes after the award of the contract as well.

Everyone in the district is aware of the new rules about gifts and limits (6th report and order).

Time Line for FRN 1612658

01/20/2005	The form 470 related to this FRN was posted.
01/21/2005	The form 470 related to this FRN was certified.
02/17/2005	5-Year Contract for services awarded to Trillion
03/01/2005	1 st "gift" received from Trillion
07/13/2005	FRN 1335868 is funded.
02/15/2007	FRN 1445936 is funded as year 2 of a 5 year contract.
11/03/2007	FRN 1612658 is funded as year 3 of a 5 year contract.
06/2009	The district is asked to provide information about gifts – nothing comes to mind
06/04/2010	Further questions from USAC
10/15/2010	District is told by USAC that several FRN's related to Trillion would be denied
11/12/2010	District receives Notification of Commitment Adjustment Letter
12/06/2010	District files appeal with USAC
12/21/2010	District receives notice that the appeal is denied

It was pointed out in the district's appeal to USAC, that no person in the District had received any gift during the competitive bidding process. In fact, the first "gift" was a shirt and mug given to Cheryl Walker (Assistant Superintendent at that time) more than a week after the contract was awarded. How could anyone in the district who was involved in the selection of Trillion as a service provider have predicted that any "gifts" would be given. There is no possible way that these reported "gifts" could have had any influence on the competitive bidding process. It is extremely difficult for the district to

understand what they failed to show in their appeal. Based on the sequence of events, the district followed the competitive bidding process to the letter. If there are other reasons for the denial, why were they not brought forward for discussion?

Along with this letter we have included the following documents for clarification of the persons responsible to review this request:

Copy of the documentation from USAC provided to the district by Paula Portanova from USAC Copy of e-mail from Paula Portanova stating that the documentation is complete Copy of Notification of Commitment Adjustment Letter Copy of District Appeal
Copy of Administrator's Decision on Appeal
Letter of Agency for Etechco, Inc.

Sincerely.

I heard the same comment from Harrison and am really disappointed about the conflict. I know the event date debate went on for a couple of weeks due to many factors. No info has filtered down to me yet re: TIE, but I will ask the question. I am really sorry if that will preclude you from attending in Austin.

BTW - I passed your levely lady story on to some of my associates in our home office. All the names were changed to protect the innocent. =) Funny stuff! You put a few smiles on some faces this AM.

Our routine review of Schools and Libraries Program (Program) funding commitments has revealed certain applications where funds were committed in violation of Program rules.

In order to be sure that no funds are used in violation of Program rules, the Universal Service Administrative Company (USAC) must now adjust your overall funding commitment. The purpose of this letter is to make the required adjustments to your funding commitment, and to give you an opportunity to appeal this decision. USAC has determined the applicant is responsible for all or some of the violations. Therefore, the applicant is responsible to repay all or some of the funds disbursed in error (if any).

This is NOT a bill. If recovery of disbursed funds is required, the next step in the recovery process is for USAC to issue you a Demand Payment Letter. The balance of the debt will be due within 30 days of that letter. Failure to pay the debt within 30 days from the date of the Demand Payment Letter could result in interest, late payment fees, administrative charges and implementation of the "Red Light Rule." The FCC's Red Light Rule requires USAC to dismiss pending FCC Form 471 applications if the entity responsible for paying the outstanding debt has not paid the debt, or otherwise made satisfactory arrangements to pay the debt within 30 days of the notice provided by USAC. For more information on the Red Light Rule, please see "Red Light Frequently Asked Questions (FAQs)" posted on the FCC website at http://www.fcc.gov/debt collection/faq.html.

TO APPEAL THIS DECISION:

You have the option of filing an appeal with USAC or directly with the Federal Communications Commission (FCC).

If you wish to appeal the Commitment Adjustment Decision indicated in this letter to USAC your appeal must be received or postmarked within 60 days of the date of this letter. Failure to meet this requirement will result in automatic dismissal of your appeal. In your letter of appeal:

- 1. Include the name, address, telephone number, fax number, and email address (if available) for the person who can most readily discuss this appeal with us.
- 2. State outright that your letter is an appeal. Identify the date of the Notification of Commitment Adjustment Letter and the Funding Request Number(s) (FRN) you are appealing. Your letter of appeal must include the
- ·Billed Entity Name,
- *Form 471 Application Number,
- *Billed Entity Number, and
- *FCC Registration Number (FCC RN) from the top of your letter.
- 3. When explaining your appeal, copy the language or text from the Notification of Commitment Adjustment Letter that is the subject of your appeal to allow USAC to more readily understand your appeal and respond appropriately. Please keep your letter to the point, and provide documentation to support your appeal. Be sure to keep a copy of your entire appeal including any correspondence and documentation.

FUNDING COMMITMENT ADJUSTMENT REPORT

On the pages following this letter, we have provided a Funding Commitment Adjustment Report (Report) for the Form 471 application cited above. The enclosed Report includes the Funding Request Number(s) from your application for which adjustments are necessary. See the "Guide to USAC Letter Reports" posted at http://usac.org/sl/tools/reference/guide-usac-letter-reports.aspx for more information on each of the fields in the Report. USAC is also sending this information to your service provider(s) for informational purposes. If USAC has determined the service provider is also responsible for any rule violation on the FRN(s), a separate letter will be sent to the service provider detailing the necessary service provider action.

Note that if the Funds Disbursed to Date amount is less than the Adjusted Funding Commitment amount, USAC will continue to process properly filed invoices up to the Adjusted Funding Commitment amount. Review the Funding Commitment Adjustment Explanation in the attached Report for an explanation of the reduction to the commitment(s). Please ensure that any invoices that you or your service provider(s) submits to USAC are consistent with Program rules as indicated in the Funding Commitment Adjustment Explanation. If the Funds Disbursed to Date amount exceeds your Adjusted Funding Commitment amount, USAC will have to recover some or all of the disbursed funds. The Report explains the exact amount (if any) the applicant is responsible for repaying.

Whippany, NJ 07981

This is an official letter of appeal of the Notification of Commitment Adjustment Letter which was dated on November 12, 2010. This letter rescinded funding from funding year 2007 for FRN 1612658.

Billed Entity Name – Fountain Fort Carson School District 8
Form 471 Application Number – 582253
Billed Entity Number – 142289
FCC Registration Number – 0013708243

In the decision from USAC the following reason was given for the decision to rescind funding:

After a thorough investigation, it has been determined that this funding commitment must be rescinded in full. During the course of a review, documentation provided by you and/or your vendor indicated that there was not a fair and open competitive bidding process free from conflicts of interest. The documents provided by you and/or your service provider indicated that, prior to/throughout your contractual relationship with the service provider listed on the FRN, you were offered and accepted gifts, meals, gratuities, or entertainment from the service provider which resulted in a competitive process that was no longer fair and open. Therefore, the commitment has been rescinded in full and USAC will seek recovery of any disbursed funds from the applicant and service provider.

Explanation of Appeal

Since this FRN is year 3 of a five year contract as cited on the form 471, and the 470 used for this FRN was 610440000537053 the reason for the appeal is the same as the reason for the appeal of the 2005 and 2006 FRNs, with the explanation given below.

At the request of the school district, documentation was provided to Fountain Fort Carson from Pina Portanova (see attached) concerning the gifts, meals, gratuities, or entertainment district employees received as reported by the service provider. The documentation from Trillion indicates that they provided a total of 8 gifts to the district between March 1, 2005and January 5, 2007. The 5 year contract for services with Trillion was signed on February 17, 2005 which is prior to the date that any gratuities were provided to the district. It would be impossible for anyone to conclude that these had any influence on the selection process for this FRN or in any way tainted the competitive bidding process. No one could have predicted in February that the service provider would provide the various gift cards over the next two years.

Your Correspondence Dated: December 06, 2010

After thorough review and investigation of all relevant facts, the Schools and Libraries Division (SLD) of the Universal Service Administrative Company (USAC) has made its decision in regard to your appeal of USAC's Funding Year 2007 Commitment Adjustment Letter for the Application Number indicated above. This letter explains the basis of USAC's decision. The date of this letter begins the 60 day time period for appealing this decision to the Federal Communications Commission (FCC). If your Letter of Appeal included more than one Application Number, please note that you will receive a separate letter for each application.

Funding Request Number(s): 1612658 Decision on Appeal: Denied

Explanation:

• USAC rescinded the funds committed because after a thorough investigation, it was determined that documentation provided by you and/or your vendor indicated that there was not a fair and open competitive bid process free from conflicts of interest. The documents provided by you and/or your service provider indicated that, prior to/throughout your contractual relationship with the service provider listed on the FRN, applicant was offered and accepted gifts, meals, gratuities, or entertainment from the service provider, which resulted in a competitive process that was no longer fair and open. Therefore, the commitment was rescinded in full and USAC will seek recovery of any disbursed funds from the applicant and service provider. On appeal, you have failed to provide persuasive information to demonstrate that USAC erred in its decision to deny funding due to Fountain Fort Carson School District 8 violation of the Schools and Libraries support mechanism competitive bidding rules. The appeal is denied.

If your appeal has been approved, but funding has been reduced or denied, you may appeal these decisions to either USAC or the FCC. For appeals that have been denied in full, partially approved, dismissed, or canceled, you may file an appeal with the FCC. You should refer to CC Docket No. 02-6 on the first page of your appeal to the FCC. Your appeal must be received or postmarked within 60 days of the date on this letter. Failure to meet this requirement will result in automatic dismissal of your appeal. If you are submitting your appeal via United States Postal Service, send to: FCC, Office of the Secretary, 445 12th Street SW, Washington, DC 20554. Further information and options for filing an appeal directly with the FCC can be found in the "Appeals Procedure" posted in the Reference Area of the SLD section of the USAC website or by contacting the Client Service Bureau. We strongly recommend that you use the electronic filing options.

We thank you for your continued support, patience and cooperation during the appeal process.
